Issue
APRIL 2022

Greetings from our President Dan Abenaim

April fool's day

Apparently, the custom originated in 1582 when France adopted the Gregorian calendar. Under the previous Julian calendar, the year started at the spring equinox, around April 1st. The people slow to accept the change to January 1st, the April fools, were the butt of jokes and hoaxes. No chance that would happen to the LAG. We adapt to changing times with remarkable speed!

Our traditional Spring show is changing to a Lynnfield Art Festival under the leadership of Joyce Fukasawa and Hedy Sanni and they'll tell you more about it. We also had our very first hybrid watercolor demonstration. On March 17th an artist in Texas, Michael Holter, shared his extensive techniques with us via Zoom but this time, part of the audience gathered at the Merritt Community Meeting Room in Market Street. We could watch him on a couple of large screens and socialize! You can look forward to more such demos where we can meet our friends and access talented artists from all over the world.

This is also the time of year when we identify the volunteers who will fill the many positions necessary to run and grow the Guild. Maya Jacob is leading the Nominating Committee this year and she has sent you a list of current jobs. Please get back to her when you see an area you might be interested in. We are not necessarily looking for people to assume an important responsibility immediately but rather for folks to learn and help over time as part of a team. In an effort to help the process, Hedy and I created a draft Organizational Chart that you will find on page 3 in the newsletter. We need your help to populate the chart. Please let Maya or me know where you think you could participate.

News Flash! Three local music groups will perform during our Art Festival!

While the Meeting House and Commons will be filled with art, artisans, and community organizations, we will also enjoy live music performances. On Saturday at 11 am enjoy **Boston Skyline Chorus**, a chapter of Sweet Adeline's International, an all-female acapella ensemble featuring 15 – 20 women who share a love of music, joy in singing and a love of performing! At 1 PM listen to **Blue of a Kind**, a Melrose-based all male acapella group founded in 2005 passionately committed to inspiring and enlightening audiences with a lively repertoire and charming style. On Sunday afternoon swing to the sounds of the North Reading based **Swamptones**, a 5-piece New Orleans-influenced jazz, blues and Zydeco band.
