

A new voyage of artistic discovery

Hello {First Name}

Warm Greetings from Co-Presidents
Cheryl Chisholm and Catherine Grassello

Welcome to September!

Last days of summer are behind us now and new discoveries lie ahead. This year Lynnfield Art Guild embarks on a new voyage of discovery. This is our first term as Co-Presidents and we are excited and energized to be here.

Our North Star: Our Crew Comes First!

The focus of our term is direct and clear:

- Existing and New Members
- Help existing members get to know each other better and become more engaged with each other and in LAG events and activities.
- Encourage new members to join LAG and reap the benefits of our rich artistic community.
- Help ALL members enjoy and be proud of being part of LAG!

- Broaden our partnerships and collaborations with other like-minded organizations in order to increase the number of opportunities for our members to share their talents, knowledge and art.

The spirit of **Our Mission Statement** is to encourage renewed engagement among our current members and to attract new artists and supporters to the Lynnfield Art Guild.

Lynnfield Art Guild (LAG) is vibrant, visual and starting a new voyage. We welcome aboard all members who wish to satisfy their sense of adventure through art and camaraderie with fellow artists, artisans and art explorers. We are all on the same ship that will take each of us on our own exceptional voyage of discovery. Every member of our crew is valued and respected for their unique artistic vision and expression. Join us today and embark on a new voyage with LAG!

Artist's Statement:

"My real passion is to capture the beauty of our landscape through the eye of my camera. A native New Englander, my inspiration primarily comes from photographing New England landscapes but also includes images from our national parks and Europe. I try to capture the uniqueness each season brings along with the magic light that exists. I love capturing the beauty of the coastline. I particularly enjoy photographing during the golden hours of sunrise and sunset, and I'm also drawn to images where nature and man-made elements meet. Photography for me is all about capturing a moment in time which may never be repeated. I spend a good amount of time driving on backroads or hiking to secluded places to capture the beauty of nature. I also spend considerable time editing my images to replicate what I saw".

John is a juried member of the Rockport Art Association and exhibits often at RAA and other venues across Cape Ann. A Zoom link with details will be sent to all LAG members a week prior to the Demo, so watch your email!
