

The Lynnfield Art Guild Presents an Acrylic Coastal Landscape Demo by Deidre Tao, Feb 20th

The Lynnfield Art Guild (LAG) is presenting an Acrylic Coastal Landscape Demonstration by Deidre Tao, Thursday, February 20th at 7:00 – 8:30 p.m. via Zoom. To see her beautiful seascapes, please go to www.taofineart.com

Deidre Tao has been painting professionally for more than three decades. Her paintings are purchased by private collectors locally, nationally, and internationally. Her artwork is available through art galleries, her studio, and her online presence. Deidre earned her Bachelor of Fine Arts degree from the College of Visual and Performing Arts at University of Massachusetts, Dartmouth in 1993. She subsequently set up her private studio space in Cambridge, Massachusetts, where she has been a working studio artist since 1994.

“I am continually inspired by the New England landscape. This is where my family settled many generations ago, where I was raised, and where I live. Having spent most of my youth in playtime and in solitary reflection by our pond or at the beach, the theme of water is a through-line in my life and artwork. I explore the relationship between sky, water, and land in my ongoing series of paintings. Shorelines of rivers, marshes, dunes, and oceans have been an exciting springboard for this expression.”

This demonstration is open to all members via invitation; prospective members are encouraged to join the Guild at <https://lynnfieldarts.org/> to take advantage of this and upcoming special artistic opportunities, including free attendance at all live and virtual demonstrations and the ability to display art, network with other artists and show pieces in our popular exhibits.

Membership in the Lynnfield Art Guild is open to artisans, photographers and artists of all levels, with student, supporting and family memberships available.
